

**Item P25-0666**

**20 Gallon Wet Vacuum w/ 29" Squeegee**

Powerful 1.6 Hp vacuum motor with excellent water and slurry recovery. Motor provides 110" water lift and 100 CFM of airflow. Ball float wet shut-off assembly ensures water does not reach the motor and vapor barriers can be added to eliminate moisture completely. Unique tip and pour system allows the tank to be emptied even when a floor drain is not present. Ergonomic design for operator comfort with large non marking rear wheels, and a wide 29" front mounted squeegee.
