

**Item P15-0281**  
**Duofast Heavy-Duty Staple Gun**

All steel construction, chrome-plated with a comfortable hand grip. Equipped with a handle hold-down device, a hand stop, and a claw attachment on the front nose for stretching material and for holding the tacker in a set position. Ideal for installation of ceiling tile either to wood furring strips or directly to gypsum board ceilings. Accepts Duofast 5000 series staples from 1/4" through 9/16".
