

Item P13-0980

DuraBox Jobsite Chests

Durabox jobsite chests provide jobsite protection from theft and weather for your valuable tools and equipment. The innovative design offers versatility, strength and durability, high security, and ideal storage solutions. 3-Point security system with secure padlock enclosure. 16-gauge Steel construction with arc-welded seams ground to a smooth, perfect system. Rigid security with a formed sidewall design allows doors or lids to overlap when closed. Powder-coat finish for increased resistance to corrosion and weather damage. Recessed handles.
