

Item P12-1054  
Greenlee Glo Stix®

Luminescent fiberglass rods glow in the dark to make fishing various wires easier in dark spaces, such as above ceilings, in walls, and below sub-floors. Added flexibility for fishing through outlet boxes. Clear storage tube keeps the rod charged and ready to use. Sturdy, steel threaded connectors are interchangeable with other tips. Kit includes: 3/16" x 15' rod with bullet & "J" hook nose tips.
