Guardian Series 1 Economy Harness

Perfect entry-level harness solution, and is ideal for outfitting large crews. Feature durable water-repellent, contrasting core webbing that makes any damage easy to see, greatly improving the inspection process. Webbing ends are folded and stitched with rubber tabs for durability, and rubber web keepers prevent loose straps from interfering with your work. Dual lanyard keepers safely store unused lanyard legs, and the 2-bar torso adjusters make fitting the harness fast and precise. Available with or without side D-rings. Impact indicator shows if product had been in a fall. Tongue buckle leg straps. This harness can be purchased separately, or as kit. **Each kit comes with a large, durable carrying bag and your choice of two different lanyards: a 6' Internal Shock Absorbing Lanyard or a Stretch Lanyard that expands from 4 1/2' to 6'.**
