

Item P89-2267

MAX USA SuperRoofer Roofing Coil Nailer

Super Roofer has a unique tangle free swivel joint. Dial adjustable depth control required no special tools, providing accurate depth control for softest shingle to the hardest wood; no need to make any adjustments at the compressor. Nose magnet holds the last nail of the coil, preventing waste and jamming. Patented maintenance free end cap filter prevents foreign substances from entering the tool. Comfortable rubber grip and trigger lock for safety.
