

**Item P11-9088**

**Metabo HPT 8 1/2" Compound Slide Miter Saw**

Heavy duty, twin-rail saw. Linear ball bearing slide system gives smooth, accurate cuts with only a light thrust eliminating saw jerking. Dynamic electric brake stops blade movement instantly. Locking swivel head for bevel cutting. Retractable blade guard automatically adjusts for material thickness. **Includes a carbide tipped 24 tooth saw blade, vise assembly, slide fence, box wrench and dust bag.**
