

Item P21-0796

Pipe-Tytes Metal Studs Insulators

Insulates copper or polypipe tubing from sharp metal edges. Eliminates pipe rattle & electrolysis. Pipe-Tytes completely isolates the pipe from the metal stud. Off-set hole makes for better pipe alignment. Made of tough, durable plastic. Withstands temps of 180° F. For use on all metal studs 18 gauge or lighter. Meets UL Standard 2043.

Item	Description	Attributes
