Ridgid 14 Gallon NXT Wet/Dry Vac with Cart

RIDGID® 14-gallon 6.0 peak HP industrial-strength wet dry vacuum with sturdy cart, push handle and large rear wheels allow the vac to travel easily up/down stairs and over rough terrain and thresholds. Scroll Noise Reduction® provides quiet operation by precisely controlling the flow of air through the vac. Professional Locking Hose is an ultra-flexible hose that won't pull loose during use, and is four times more durable than our standard hose. This 2 1/2"x 8' hose has a smooth interior surface to reduce clogging. Qwik Lock® Filter Fastening System allows you to install or remove your filter quickly, easily and secure without tools or fastener. **Includes: 2 extension wands, 2 1/2" x 8' premium locking pro hose, utility nozzle, wet nozzle, crevice tool, car nozzle and fine dust filter.**
