

Item P23-0076

Ridgid RP 240 Press Tool

The RP 240 is the latest pistol-grip tool in the RIDGID Compact Press Tool family. 15% smaller and 10% lighter than its predecessor, this lightweight, low profile design, is ergonomically designed to help you easily work in the most difficult jobsite conditions. Offers many unique features, like Bluetooth® connectivity (connecting the tool to the RIDGID Link app), which allows users to track numbers of cycles, battery information, and much more. The RP 240 is compatible with all RIDGID Compact Series jaws, rings, and actuators and can press up to 1 1/4" on Copper & Stainless Steel; up to 1 1/2" on PEX tubing; and up to 1" (25 mm) Carbon Steel.
