

Item P23-0120

Ridgid RP 350 Press Tool

The RIDGID RP 350 features a brushless motor that is capable of over 100,000 press cycles and requires no scheduled maintenance. Get access to hard-to-reach locations with endless 360° swivel. With the most advanced LED interface and lighting, the RP 350 has been upgraded from top to bottom. It's also the only press tool in the industry compatible with all RIDGID Standard Series jaws, rings, actuators, and attachments.
