

Item P19-0200

Aervoe Traffic Paint

Aervoe solvent based traffic paint is designed to adhere to a variety of surfaces, especially asphalt and concrete. This durable marking paint is lead free and VOC compliant. Ideal for marking parking lots, factory floors or any hard surfaces. Excellent resistance to traffic, oil and gasoline. Asphalt black is used to correct mistakes or cover existing lines. Super fast drying, 5 minutes to touch. 20oz. (18oz. net wt.). Supreme Aervoe is fast drying, 15 minutes to touch. 12 per case. Both are for use with Vers-A-Striper Striping Machine (**Item 19-0259**).
