

Item P99-8134

TriggerFoam Pro™ Window and Door

PRODUCT DESCRIPTION

TriggerFoamPro™ Window and Door formula is a professional grade, low pressure, gun applied, polyurethane foam sealant . This foam does not distort window and door frames when expanded. Adheres to wood, metal, masonry and concrete. Seals gaps and joints, insulates, stops air infiltration and saves time and money.

APPLICATIONS

Dispenses through a special gun that allows the user to control the flow rate and diameter of the bead, allowing precise placement of the foam. Voids should be filled approximately 30-40% to allow for the final expansion of the foam. Recommended curing time is 24 hours prior to scraping or painting.

TYPICAL USES

Insulating: Low pressure formula will not bow window or door frames when expanded.
