

Item P21-2043

Caddy Box Mounting Brackets

Supports electrical boxes, plaster rings or low voltage devices from one bracket. Accommodates up to four 4" or 4 11/16" boxes. Mounts 1 1/2" or 2 1/8" deep boxes. Eliminates the need for electrical boxes on low voltage applications. Bendable leg serves as a bracket stabilizer. Bendable tab has a 3/4" conduit stubbing hole.
